

Shared Facilities

Effective date of posting: 11/29/04

Company and its Marketing and Energy Affiliates that are affiliates of ONEOK (collectively referred to as Energy Affiliates) share an office building at 100 West Fifth Street, Tulsa, Oklahoma. Company and its Energy Affiliate, Bear Paw Energy, LLC (Bear Paw) share office facilities at 13710 FNB Parkway, Omaha, NE. To the maximum extent practicable, Company personnel are separated from the employees of its Energy Affiliates. There is one employee of Northern Plains Natural Gas Company, LLC, a service company and the operator of Company, that is dedicated to providing IT services to an Energy Affiliate and is located at the Energy Affiliate's (Bear Paw Energy's) office at 1400 16th Street, Denver, CO 80202.

In addition, Company and its Energy Affiliates share a remote location for its servers. This location is undisclosed for purposes of security. Company's servers are segregated from those of its Energy Affiliates.

Company also shares a local area network ("LAN") with its Energy Affiliate, Bear Paw Energy. However, the Energy Affiliate personnel cannot access Company's servers or the information on those servers using these facilities. Energy Affiliate personnel cannot access any Company data using this system. Company also shares a telephone system with its Energy Affiliate. In addition, Company shares email, calendars, financial, accounting, and human resources applications with its Energy Affiliate. However, the appropriate measures have been taken to prevent personnel of the Energy Affiliate from accessing any Company information using these applications.
